

SUMMER WEBINARS

Year of Care Partnerships® is presenting a series of free webinars this summer...

Implementing personalised care and support planning for people with multiple long-term conditions in primary care - Tuesday 16 July 1 - 2pm

In this webinar we will share our practical experience of implementing personalised care and support planning for people with multiple long-term conditions, including the benefits, challenges and solutions of the Year of Care approach.

Lindsay Oliver

National Director of Year of Care Partnerships

Dr Becky Haines

GP, Glenpark Medical Centre and GP Clinical Advisor for Year of Care Partnerships

Using the Year of Care approach to personalised care and support planning to deliver proactive care - Wednesday 14 August 1 - 2pm

In this webinar we will share learning and recommendations from the North East North Cumbria ICS proactive care pilot in primary care networks. This programme used the Year of Care approach to implement the national Proactive Care Guidance for people with multiple long-term conditions and frailty delivered by integrated neighbourhood teams.

Dr Robert Westgate

Clinical Director, Carlisle Healthcare Primary Care Network

Helen Kleiser

Year of Care Partnerships National Trainer and Facilitator

Putting shared decision making into action - Wednesday 11 September 1 - 2pm

In this webinar we will share our experience of what is needed to put shared decision making into practice. This includes the principles and frameworks, processes and skills together with examples of some of the work done to embed shared decision making.

Dr Nick Lewis-Barned

Chair and clinical lead for Year of Care Partnerships

Lesley Thompson

Year of Care Partnerships National Trainer and Facilitator
